

About

Follow Heavy Hogur on a journey through the mountains and islands of Ivereth. Explore vast cave systems, collect crystals with your trusty pickaxe, discover buried treasures and recover legendary artifacts. 67 rooms full of adventure awaits you!

Gameplay

Heavy Hogur is a 3D puzzle game (Windows) with a unique game mechanic. Hogur is literally "heavy" and most of the ground is crumbling where ever he walks. Plan your path wisely, and "carve" your way through the different rooms. The goal of every room is to get all crystals and safely get to the exit tile. Be sure to not block off the path at any time.
